

HOMework

in year 2

At Desford Community Primary School, we understand that family life away from school is very busy and see the other experiences that our children have in their spare time as valuable enrichment to their development. Our approach to homework is therefore focussed on spending a little bit of time every week rehearsing the core skills that will have a positive impact on learning in school. Homework progresses in line with these principles from EYFS to Year 6, with some increases in expectations to help to prepare the children for their transition to high school.
